

# *The Wine Club*

*The Tasting Room features a unique selection of limited production, hand-crafted wines that reflect the distinctive characteristics of the Long Island wine region.*

*Because these wines are produced in such limited quantities, they can be difficult to find. We've designed our Wine Club to give you an opportunity to enjoy wines from our member wineries in the comfort of your own home.*

*As a member of The Tasting Room's Wine Club, you will receive:*

- *2 wine shipments per year of 6 bottles each (the shipment includes a predetermined representation of wines from our producers)*
- *Tasting notes for each wine with recommended food pairings*
- *Free wine tasting at The Tasting Room for the cardholder and one guest*
- *Additional wine purchase discount: 10% off 1/2 case; 15% off full case*
- *Invitations to members-exclusive events*

*The cost per shipment will be between \$110-\$135, which includes a 10% discount, plus shipping and handling. There is no fee to join the Wine Club.*
